Instructions

These instructions allow for the space of 1 inch between the panels

1. Start with PANEL 4 (18x34) Hold it up to the wall where it will go. With a pensil, mark the top of the piece. Measure 1/2 inches down from this spot. Place your first nail here. This is where PANEL 4 will go.
2. Measure 16 inches to the right and 11 inches down from the first nail. Place your second nail here. This is where PANEL 5 (12x26) will go.
3. Go back to where you placed your first nail (PANEL 4). Measure 16 inches to the left and 11 inches down. Place your third nail here. This is where PANEL 3 (12x26) will go.
5. Measure 11 inches to the left and 4 inches down from your third nail. Place the fourth nail here. This is where PANEL 2 (8x18) will go.
6. Measure 9 inches to the left and 6 inches down from the fourth nail. Place yoru final nail here. This is where PANEL 1 (8x8) will go.
